

SECTION H

EMPLOYMENT & JOB TRAINING

There are many programs available to assist you in finding employment. The following agencies offer a variety of job training programs, including work adjustment, sheltered employment, job search and placement.

OHIO DEPARTMENT OF **216-787-3498**
JOB AND FAMILY SERVICES

East 18th Street and Prospect Avenue

Offers employment testing, counseling and assistance with job search and placement services. In addition, free walk-in access to the Internet for job-seeking purposes is available. Veterans' specialists are also available. If you should lose your job, you may qualify for unemployment benefits.

SECTION H

EMPLOYMENT & JOB TRAINING

There are agencies designed especially for job-seeking consumers who are recovering from physical, psychological, emotional or social setbacks. The following agencies serve such consumers:

CUYAHOGA COUNTY **216-987-8504**
WORK AND TRAINING

Administers federal and state programs which assist Ohio Works First participants to achieve employment and self-sufficiency. Includes job search, education, job training, placement services and assistance with child care and transportation.

OHIO REHABILITATION **216-787-3375**
SERVICES COMMISSION

This state agency is designated to assist persons with disabilities to find or retain employment, including vocational evaluation, training and supportive services.

MY RECOVERY NOTES

TOOLS FOR RECOVERY

**“Recovery
from the consequences
of mental illness
is sometimes
more difficult
than recovering from
the illness itself. “**

~John Strauss
